

Sayde's Memorial Tournament
A Disc Golf Tournament with proceeds going to
F.I.D.O. (Finding Individual Dogs Only)
&
AKTION CLUB

Dear

Once again my family is trying to save more dogs by finding them homes. To do this they are holding another disc golf tournament in my name. We have raised over \$7,300 over the last three years for F.I.D.O. and have sponsored the AKTION Club to go to their annual North Carolina/South Carolina Convention for the last three years.

I know right now times are hard but it is even harder when you are out on the streets alone. Without help from F.I.D.O. many of my homeless friends will go hungry or even die. With your help some will be saved and given homes that all creatures of GOD deserve. Without it some dog will go hungry and homeless in the future that could have been saved.

For those of you who do not know about the AKTION Club, it is for mentally challenged adults. My folks have worked and played with them since my first memorial. Last year they were a great help in making the tournament a success.

Thank you for taking time to read this and for any donation that you are able to give. All my hungry and lost friends thank you too.

Love,

Sayde

PS Please note that all sponsorship monies and player fees go to the charities.

FIDO

"Caring for God's Creatures"

Dear Supporters:

GREETINGS from all of our orphan doggies that have been saved by Fido Dog Rescue this year! The economy crunch has kept our donations and adoptions down. We are thankful for the 112 adoptions made this year. Attempting to meet our expenses, our volunteers have worked tirelessly in garage sales, Adopt a Pets, Special Events, etc. A huge THANK YOU to each of them! Congratulations to our Volunteer of the Year, Mari Thornton.

We have been sad for the dogs we have lost. BISCUIT came to us in February from Chesterfield Animal Control where they have no walls. She had nursed 20 puppies (hers & 2 other litters). Kidney disease took her from us on Sept. 24. BENJI had huge bladder stones & other health problems when she came & lived 12 months. SNOOPY, a 3-legged 12 year old Beagle, had been abandoned by his owner. He lived 2 and 1/2 years & died recently. We still miss all 3 of these precious dogs!

Our needs remain basically the same:

1. DONATIONS - We are \$2,300 behind in Nov. bills, due mainly to a boarding kennel bill.
2. FOSTER HOMES - desperate need to save kennel expense
3. SPONSORS - Many large bills are due to expensive surgeries
4. GRANTS needed

Two reminders: (1) If you see a dog chained or neglected, call Chris Folsom at Lexington Co. at 785-8149, or Richland Co. at 783-1267, (2) Use goodsearch.com and choose Fido as your charity. We receive a penny for every hit.

One of our great blessings this year was a large donation from SAYDE'S MEMORIAL. Sayde belonged to John & Christene Wright, and she passed away 4 years ago. The Wrights have memorialized her by sponsoring an annual disc golf tournament, and part of the proceeds go to Fido. We received \$3,000 from them this year.
